Happy 2026 from the Trustees

We hope that you had a Happy Christmas. Best wishes for 2026. Our new team of Trustees has tried very hard to deliver an interesting programme of lectures and events. Please encourage your friends to join FoTW and come along and support us.

Your money is making a difference. You'll see that there are new audio guides at the Wilson funded by the FoTW. These allow for 5 tours which will enhance the visitor experience and accessibility across our collections and exhibitions galleries. We have also provided financial support for exhibitions, digital storytelling artist residency and the

launch of the new website. The number of digital records increased from 5,000 to 25,000 since 2024.

These initiatives have had a positive effect on visitor numbers, 7,000 visited in the first two months of the 'Material Worlds' exhibition's opening. Over the past 6 months our Instagram content interactions have increased by 263.5% with 9,400 people interacting with our Instagram posts. Facebook followers are up by 22.9% over the past 6 months.

We will be holding our Annual Strategy Day at the end of January. If any Friends have ideas on how to boost membership please let us know.

You are warmly invited to the private view of a Hayward Gallery Touring exhibition. This compelling exhibition brings together three of Paula Rego's most ambitious and poignant print series – Nursery Rhymes, Peter Pan and Jane Eyre. A selection of personal items from Rego's studio offers intimate insight into her creative process and the narrative impulses that shaped her imagery. Rego's work invites viewers into a universe where innocence and cruelty, fantasy and reality coexist in vivid tension.

In 2020 the museum wing closed for refurbishment. With renovation work almost complete there will be four large modern collection galleries which will become the new museum. These will be shaped by the community. Phase One – Community Consultations - a broad range of consultations both at The Wilson and out in our communities which have been used to inform phase two of the project. Phase Two – Testing Ideas with the Communities to include an exciting interactive exhibition and extensive community outreach programme. Phase Three – Reopening the Museum.

Best wishes
